### **AAU Super Regionals**

**Info:** Super Regionals are organized by the National AAU. They are set up as bonus qualifiers for Division I nationals in addition to the association championships with teams allowed to cross borders to compete. Division II teams are allowed to compete (but not qualify). As national qualifiers, play will be at a very high level and teams should be prepared to face such high-level competition. All games 14-and-older must have a 30-second clock.

For a full list of Super Regionals, go to [www.aagirlsbasketball.org](http://www.aagirlsbasketball.org)
